TEMPORARY ON-STREET CONSTRUCTION PARKING PERMIT TIME RESTRICTED STREET ZONES

APPLICATION GUIDELINES AND RESTRICTIONS

To All Contractors:

The City recognizes the occasional need for construction vehicles to be allowed to park in time restricted zones for a period of time longer than posted. To best accommodate this need, a Temporary On-street Construction Parking Permit program has been implemented. In order to qualify for a permit, you must meet the eligibility requirements of the program and submit photocopies of the documents listed below. **This placard is intended to exempt the user from TIME LIMITED parking ONLY.** Permits issued do not exempt vehicles from any other posted restrictions or where parking is prohibited either by red curb or posted parking prohibitions during the hours such prohibitions are in effect, including posted restrictions for street sweeping, No Parking, No Stopping, or No Stopping/No Parking restrictions, green, yellow, blue or white painted curb zone. Vehicle must be parked in a space where it is legal to park. Vehicles shall not impede traffic or affect public safety. All permit renewals must be reviewed prior to approval. Please be advised that issuance of a Temporary On-street Construction Parking Permit is subject to review and is a privilege and not a matter of right.

The information below represents the terms and conditions that affect your participation in the Temporary On-street Construction Parking Permit program. Please read this information carefully. A copy will be provided for your files.
