Conversion of Hotels and Motels to Affordable Housing

Staff will present a Zoning Code Text Amendment that would permit conversion of hotels and motels to affordable housing, including permanent supportive housing. The Zoning Code Text Amendment would establish the review process for conversions as well as required performance standards, among other provisions.

Staff recommendation:

Recommend that the City Council:

1. **Find** that the Zoning Code Text Amendment is exempt from the California Environmental Quality Act (CEQA) per Section 15301, Class 1, for actions that allow the conversion of existing structures to a use that is similar in operation and intensity, as well as State CEQA Guidelines Section 15061(b)(3), the general rule, in that CEQA applies only to projects which have the potential for causing a significant effect on the environment;
2. **Adopt** the Findings of Consistency with the General Plan; and
3. **Approve** the proposed amendments to the Pasadena Municipal Code (Zoning Code)
