

COMMUNITY MEETING: PICKLEBALL AT ALLENDALE PARK

Tuesday, April 11, 6-8 p.m.
Allendale Library
1130 S. Marengo Ave.

Tuesday, May 9, 6-8 p.m.
Allendale Library
1130 S. Marengo Ave.

Join the discussion as we consider converting the tennis courts at Allendale Park into a permanent pickleball court. Pickleball combines many elements of tennis, badminton and pingpong. Played both indoors and outdoors on a badminton-sized court using a slightly modified tennis net, pickleball is played in either doubles or singles.

A brief presentation on proposed updates to the court will be followed by a comment, question and answer period.

Two identical information sessions will be held.

Community members who are not available to attend the meetings but would like to provide input may contact Leonardo Chavez, Recreation Coordinator, Victory Park. Phone: (626)744-8336 Email: Ichavez@cityofpasadena.net. Comments, suggestions and questions may also be submitted under the “customer feedback” page on our website: www.cityofpasadena.net/HumanServices/.
